ATP NEWS

[Environmental Education Program Receives Energy Globe Award in Prague](#)

For the second year, ATP was selected as a National Winner of the Energy Globe Award during a ceremony in Prague. The winning program, "Plant an Idea, Plant a Tree: Advancing the Next Generation of Armenia's Environmental Stewards," is based on ATP's environmental education curriculum. An international jury chose 76 national winners for environmental and energy efficiency projects from 111 countries.

[ATP Works with Yale's Global Institute of Sustainable Forestry on New Training Manual](#)

ATP recently completed a two-year project to develop sustainable forestry training models for Armenia. Through a collaborative effort with Yale University's Global Institute of Sustainable Forestry, ATP worked with Yale to conduct an analysis of the forests around the village of Margahovit. ATP also presented a new Sustainable Forestry Manual to stakeholders and developed a seminar training model.
