

Dear Donor Council Members,

Below please find the document links pertaining to the upcoming 35th CEPF Donor Council Meeting to be held Wednesday, 23 October, in Brussels at the European Commission. The location is the Berlaymont Building, Rue de la Loi 200, Meeting Room Jean Rey.

I look forward to our forthcoming discussion!

Best regards,

Olivier Langrand
Executive Director

HOTSPOT HIGHLIGHTS

Tropical Andes mid-term assessment participants. © C. Moreno/Profonanpe

In March, more than 80 grantees and partners—representing 40 civil society organizations and hailing from Bolivia, Colombia, Ecuador and Peru—met in Quito, Ecuador, for CEPF’s mid-term assessment for the hotspot.

Participants shared their experiences related to implementing conservation initiatives and evaluated CEPF’s progress toward achieving the conservation priorities outlined in the ecosystem profile.
